

Contents list**Volume 22, 1990**

Effect of correlated colour temperature on the perception of interiors and colour discrimination performance	P R Boyce and C Cuttle	19
Photopic luminance does not always predict perceived room brightness	S M Berman, D L Jewett, G Fein, G Saika and F Ashford	37
Average illuminance: Two-line method for measurement	H D Einhorn	43
Effect of headlamp area on discomfort glare	M Sivak, C J Simmons and M Flannagan	49
Security lighting: Effects of illuminance and light source on the capabilities of security guards	P R Boyce and M S Rea	57
Television scene lighting consistency index	W N Sproson and E W Taylor	81
Print quality and visual performance	E M Colombo and C F Kirschbaum	85
Modelling effect of shading: New approach	M Nameida	95
Modulation of light from fluorescent lamps	A J Wilkins and C Clark	103
Cathode mode transition in high-pressure discharge lamps	A Anders and B Jüttner	111
Ultraviolet radiation emissions from miniature (compact) fluorescent lamps	M J Whillock, A F McKinlay, J Kemmlert and P G Forsgren	125
Lighting energy savings from daylight: Estimation at the sketch design stage	J A Lynes and P J Littlefair	129
Illuminance uniformity on desks: Where is the limit?	A I Slater and P R Boyce	165
Visual environment for the exhibition of cultural relics	Yang Gongxia and Si Yun	175
Photometry from the right distance	J G Holmes	183
Sky luminance measurements for design and control of indoor daylight illumination	A J F Rutten	189
Global and diffuse illuminances: Estimation of monthly average values	A Soler	193
Zenith luminance and total horizontal illuminance of the tropical clear sky	V D P Sastri and S B Manamohanarao	197
Review Paper		
Innovative daylighting: Review of systems and evaluation methods	P J Littlefair	1
Research Note		
International Daylight Measurement Year: Expanding the database with remote sensing	S Hayman and P R Tregenza	201
Technical Notes		
Drawing a projected view of a building as 'seen' by the sun	R H Byrd	53
Meeting Reports		
Vision in Lighting Design Workshop 1989	M J Perry	117
Showlight 89	K R Ackerman	121
Correspondence		
National Illumination Committee of Great Britain Report for the year ended 30 September 1989		139
Abstracts		
		55, 123, 161, 205
